## Lee Shippey Writes On Pioneers

WE'RE SO UNUSED to rains that when they come some of us are half scared to death about colds — just more cases of sneezy come, sneezy go colds.

THE AMUSING efforts to make something big of Bob Kennedy's careless admission that the War With Mexico "was not one of the brightest pages in our history" is a reminder that history, like morals, is largely a matter of geography.

From the time we took America from the Indians our great and glorious expansions have been at the expense of previous titleholders, and if it hadn't been for the grabbings of some of our forebears while a large part of this Continent still was up for grabs our nation still might be a narrow strip along the Atlantic and other nations would have found ways to gobble it up.

NEW ORLEANS historians can convince you that if it hadn't been for the Battle of New Orleans, fought after the United States had signed a peace treaty, though the signers didn't know it, our nation might never have extended beyond the Mississippi River.

The influence of France in the Southeast and the Mississippi Valley was so extensive that the name of Dixie, New Orleans historians aver, came from the currency of New Orleans was allowed to print, largely in ten franc notes labeled Dix Francs.

Trapper even in Tennessee and Kentucky would accumulate skins and furs until they had enough to take to market in New Orleans and trade for "Dixies," or 10-franc notes.

THEN GO to Houston and its historians will convince you all of us here in the West would be Mexicans if it hadn't been for the Battle of San Jacinto. That made Texas an independent nation, with ambassadors in Washington, London and Paris, and undoubtedly our friendship for Texas was what got us into war with

## La Salle Beats Temple City Rams

La Salle's Varsity basketball five last night defeated the Temple City Rams 66-54 in a quick-moving and rough game at San Marino High. La Salle was winner of the Santa Fe League championship, and Temple City represented the Rio Hondo League.

The second round of the California Interscholastic Federation playoffs will take place Friday night. La Salle will meet St. John Vianney High in the Loyola University gym at 8 p.m. The gym is located at 80th and Sepulveda.

Tickets are 50 cents for students and \$1 for adults. If bought at the door all tickets are \$1.

## Red Cross Branch Here Begins Drive For \$7,117

With J. Carl Brand as chairman, the annual \$7,117 fund drive of the Sierra Madre branch, Pasadena Chapter, American National Red Cross, is now under way.

Chairman Brand, issuing an appeal for speedy over-subscription, hopes that the entire quota may be met within two weeks.

Chairman Brand, former Mayor C. W. Jones, Mrs. Robert D. Dodge, Mrs. Andrew R. Buchan, Mrs. Edna M. Herwig and Mrs. Dottie Underwood attended the campaign kickoff dinner held on Monday at the Huntington Sheraton Hotel in Pasadena. Mrs. H. Randolph Wood, chairman of the Sierra Madre Branch, was unable to attend because of illness.

THE PASADENA Chapter's total quota is \$358,530. Donald W. Stout, Pacific Area

REFORESTATION of Bailey Canyon received an uplift last Saturday when Boy Scouts and the Kiwanis Club staged a tree planting day in the canyon. Participating actively in the planting are Grant Brown (arrow) and Florence Hoylman and Bruce Lindsay planting a tree. In the background may be seen Paul N. Carter and City Administrator Lawrence C. Bevington, the latter representing both the city and Kiwanis Club.

## News Wins Battle

## Library Inaugurates Book 'Lease System'

EDITOR'S NOTE—After a lapse of several months, the SIERRA MADRE NEWS is happy to once again present news of our Public Library supported by the taxpayers' money.

The recent editorial campaign of this newspaper protesting the paucity of news from the Library to which, we believe, the people are entitled, was waged solely with a view of correcting the situation as quickly as possible.

That apparently it is now corrected and, we hope, will prove permanent, is a source of gratification to the SIERRA MADRE NEWS, to the people, and we believe, to the Library personnel as well.

Once again, the rights of the people have been heeded, and that is good.

The Library Board has approved a "lease" system of book distribution in Sierra Madre's Public Library. This system supplies books of popular nature which are published by reputable publishers and are recommended by professional book reviewers and professional librarians on the national and local scene.

This speedy service enables best sellers to be available on our library's shelves as much as two months before they would arrive from the publisher or library jobber.

THIS SERVICE is provided at no additional charge to the patron. Mrs. Josephine Terry, city librarian, points out that a large percentage of modern libraries throughout the United States subscribe to this type of service.

These books arrived processed and ready for the shelves, which is a substantial saving in behind-the-scenes library work. The cost is reasonable considering the greater discount available to this commercial firm. In addition, these books may be purchased by the library at a 70 per cent discount.

## Pesky Gophers Are Problem

Sierra Madre, because of the heavy and in this case, beneficial rains, is putting into use spreading grounds not used during the more dry years.

But City Administrator Lawrence C. Bevington has a problem here — it is the pesky little gophers who have been having a field day in the dried-out spreading grounds. City workmen are having a time in ousting the little fellows.

Twenty cubic feet a second are going into the spreading grounds. This means 30 to 40 acre feet a day valued at from \$750 to \$1,000, all of which will stand in good stead next summer when the dry season comes.

## Heart Spell Is Fatal For Glen O. Doan

A restaurateur known for his kindnesses to the unfortunate, Glen O. Doan, 54, who with his wife Loie, ran the 3 D's Cafe & Malt Shop at 44 N. Baldwin, for the past eight years, succumbed to a series of heart spells Tuesday afternoon in Sierra Madre Community Hospital.

Mr. Doan suffered an initial spell early Saturday, showed improvement Sunday, had two more spells Monday and a last and fatal one Tuesday. He had experienced a similar illness last summer.

A native Californian, he was born in Whittier on Sept. 13, 1907. The family home in Sierra Madre has been at 545 Manzanita.

SURVIVING are his wife, a daughter, Jerri; a foster son, Robert L. Ashton, an athletic coach at Bakersfield High School, and his mother, Mrs. Pearl L. Doan of Monrovia, who has been residing with the Doans for several months due to an injury sustained in a fall.

Mr. Doan was widely known for his beneficences to those who because of misfortune could not always pay for their food. It is said that no person in such circumstances was ever turned away from his restaurant.

Services will be at 11 a.m. Friday at the Riple Mortuary Chapel. Interment in Inglewood.

## Daylight Burglary Nets Thieves \$18

While the family was absent, burglars entered the home of Mr. and Mrs. Frank R. Kroma at 229 N. Baldwin during daylight hours Monday and escaped with a bank book and \$18 in cash. Entry was obtained through an unlocked rear door. Considerately, the burglars had locked this door upon leaving.

Manager for the Red Cross was the principal speaker. Other honored guests included Jane Wyatt and Margaret Anderson of TV's "Father Knows Best."

Mrs. Buchan was chosen as the volunteer Red Cross worker whose eyes most closely resemble those of the Red Cross poster girl and as such was sketched by Artist Jiray Zorthian.

Mrs. Buchan, introduced to the audience and presented with the sketch, has been a Red Cross worker for seven years, following in the footsteps of her mother, Mrs. John L. Benton of Pasadena, who has served the Red Cross since World War I.

FORMER MAYOR JONES was the only Red Cross worker present who is entitled to wear the organization's 50-year pin.

## Circulate Petitions

## Take Steps To Outlaw Red Party

An initiative and referendum move to have California citizens vote on a proposal to outlaw the Communist Party in California and to bar its advocates from holding state office of any sort, has been launched in Sierra Madre and in all other sections of the state.

John H. Curtis, president of the Sierra Madre Chamber of Commerce, and a leading realty dealer, fathering the move here, reports 37 petitions are now being circulated in this city and adjacent area.

Among the places where the petitions are available for signing are the First Western Bank, the Curtis Real Estate Office at 304 W. Sierra Madre Blvd. and the SIERRA MADRE NEWS office, 9 Kersting Court.

APPROXIMATELY 500,000 signatures are necessary to place the proposed bill on the ballot at the general elections next November.

The La Mirada Democratic Club already has endorsed the measure and 65 of its members are helping to circulate the petitions in the La Mirada area.

Volunteer helpers are needed in Sierra Madre and these should contact Mr. Curtis at ELgin 5-3433.

The sole purpose of this initiative is to enact into law a strong, sound piece of anti-subversive legislation.

THE CALIFORNIA Legislature, at its 1961 session, considered 18 anti-subversive measures, introduced by eight different members in both houses. Not one of these bills was enacted into law. Moreover, the majority were bottled up in committee and were never allowed to reach the floor for a vote.

If the present petitions are fully signed with the requisite number of citizens and approved by the voters, the measure automatically becomes law without approval by the Legislature.

## Sierra Madre Has Snow

It snowed in the eastern section of Sierra Madre at 2 a.m. Tuesday.

Police report a 10-minute downfall sweeping in from the east after hitting Monrovia and Arcadia.

Officer Willy Wilburne at Sierra Madre Police Headquarters, reports that at one juncture there was enough snow on the ground with which to roll a snowball.

However, it melted quickly despite unusually cool temperatures and a blustery wind which blew down branches in the residential sections and signs in Downtown Sierra Madre.

CHRISTINE FISHER, Alverno Heights Academy sophomore, who won the Sierra Madre Lions Club essay contest, is greeted by Joseph Delgatto, chairman of the event, and Sister Benigna of the academy.

## Sierra Madre Girl, Alverno Student, Wins Lions Club Annual Speaking Contest

For the second time in two years, Christine Fisher, an Alverno Heights Academy sophomore, won the annual Lions Club Student Speakers Contest conducted last Thursday night at the Woman's Clubhouse at 270 W. Sierra Madre Blvd.

Marty Indergand of La Salle High School and Mary Lou Holman of Alverno Heights Academy were runners-up. Both are from Pasadena.

The subject was "My Responsibility in a Changing World." Each contestant was allotted ten minutes in which to speak.

ABOUT 100 PERSONS attended the dinner and entertainment preceding the contest supervised by Joseph Delgatto as chairman of the evening and an address by William Perumean of Alhambra, former deputy district governor of Lions Clubs and in charge of the Student Speakers contest in District 412, including Sierra Madre and Hastings Ranch.

Miss Fisher, daughter of Mr. and Mrs. Frank W. Fisher Jr., of 201 N. Adams, now enters the zone contest on March 8 at the Altadena Country Club. The regional at the Pasadena Elks Club follows and in turn the district.

Mr. Barboza, who is survived by his wife, Mary Regina Barboza; a son, John; and a daughter, Mrs. Mary Anne Marvin, the latter of Encino; was 64. Born in Sao Paulo, Brazil, he came to the United States in 1917, and embarked in the investment brokerage business in Los Angeles. He is survived also by 13 brothers and sisters and two grandchildren.

THE FAMILY made their home in Los Angeles until one and one-half years ago when they moved to Sierra Madre.

Rosary was recited in St. Rita's Church at 8 p.m. Wednesday.

Services will be at 10 a.m. today (Thursday) in St. Rita's Church, Rev. Thomas J. O'Malley, and Rev. John Slater officiating. Interment will be in Resurrection Cemetery.

## Sunnyside Residents To Hear Candidates

### BULLETIN

The SIERRA MADRE NEWS is in receipt of a statement from the Sunnyside Avenue Homeowners Group detailing their side in the present flood controversy. This complete statement will appear in next week's NEWS.

The riptide of city politics was omnipresent while Council Tuesday night discussed the flood situation in the Michillinda, N. Sunnyside and Skyline Dr. areas, though perhaps the city fathers themselves did not realize this.

Council took the bull by the horns, and as in the Monastery situation two weeks ago, voted to trespass on the Murphy property across the Sierra Madre-Pasadena city line in an effort to bring flood relief to the harassed Michillinda area, including Edgeview, Barton and N. Sunnyside.

This also hinges on a conference at 2:30 p.m. Friday between city and County Flood Control officials when advice of the latter group will be sought.

Politics reared its head when it became known that the Sunnyside Avenue Home Owners Group of which Kevin B. Kirsch of 421 N. Sunnyside is chairman, plans to hear any candidates for City Council at the April 10 election, to speak before them on the flood situation.

The group reportedly is extremely dissatisfied with Council's steps for flood relief in their district, recently included this in a letter sent to the solons:

"WE BELIEVE that by your actions in recently authorizing construction of a drainage channel northwesterly of Sunnyside Ave. you have endangered unnecessarily our properties. We therefore petition the Council to take the proper and/or necessary steps to notify and protect the property owners on Sunnyside Ave. from the so-called 'killer flood' hazard.

City Administrator Lawrence C. Bevington reported that property owners suffering flood damage can apply to the county assessors and ask for a reappraisal of their properties with a possible reduction in their taxes.

The city administrator also reported that Skyline Dr. residents conducted work days last Saturday and Sunday to remove silt and debris from their flood-stricken properties and that this will be repeated for the next 12 weeks.

RICHARD G. BEAUMONT of 450 Gatewood Terrace, and Jerry W. Asher of 410 Gatewood Terrace and others asked immediate action by Council in the Michillinda-Carriage House Rd.-N. Sunnyside areas. The question of possible increased taxes or a bond issue with which to defray the expense was discussed. Asher expressed himself as favoring such moves "if they proved necessary."

The Murphy tract where a subdivision is projected and which is in Pasadena, was considered the crux of the

## Deadline For Youth Day Is This Friday

Sierra Madre 10th, 11th and 12th graders are reminded that the deadline for applications for participation in the Youth Day activities on March 9 has been set for Friday, March 2.

Applications are available at the City Hall and are to be returned to Thomas A. Butch, assistant city administrator, at City Hall.

Applicants are requested to put down their choice of occupation, regardless of what they might be. The Application Screening Committee will make every effort to place all applicants as much as possible according to their requests.

FOURTEEN positions in the City Government are also being offered for Youth Day, those of city councilman (5), city administrator, chief of police, fire chief, public works director (engineer), recreation director, librarian, planning secretary, building inspector and city attorney.

More than one applicant may file for these positions, but should also indicate a second choice in business, in the event they are not elected to these positions at the special elections to be held at the Youth Council meeting March 6.

## Boy, 17, Dancing on Car Roof, Is Badly Hurt in Fall

Robert Kingston, 17, a senior in Mission High School, San Gabriel, attended the student dance at La Salle High School one night last week.

He and his companions en-

joyed themselves immensely and afterwards were homebound in Robert's car. In El Soreno they paused a moment and Robert, son of Mr. and Mrs. John Kingston of 505 Prospect Ave., South Pasadena, climbed onto the car roof and in the exuberance of youth began doing his version of "The Twist."

HE SLIPPED and in falling hit the radio antenna which penetrated his head above the bridge of the nose, with disastrous results.

Since then, Robert, in a coma much of the time, has been fighting for his life in White Memorial Hospital, Los Angeles, at last reports he had a 50-50 chance for recovery.

## Sales of Sierra Madre News Show Tremendous Gains

Street sales of the SIERRA MADRE NEWS increased 24 per cent in February. In the past year street sales have tripled.

At the same time the circulation of the SIERRA MADRE NEWS increased to 6,400 in Sierra Madre, Hastings Ranch, Sierra Madre Villa, the Oaks-Highland and Rosemead-Foothill areas, containing 20,000 persons, housed mostly

in well-to-do properties.

The SIERRA MADRE NEWS circulation in this area is more than twice that of any other newspaper, including the Los Angeles and Pasadena newspapers.

The Lesson to Advertisers is obvious — Only the SIERRA MADRE NEWS takes your message to these 20,000 inhabitants. Only the SIERRA

MADRE NEWS saturates this highly profitable field. Only the SIERRA MADRE NEWS can carry your message to these 20,000 persons most profitable for you.

Despite increased press runs the SIERRA MADRE NEWS has been a sell-out for the past eight weeks. This is another clear-cut indication of how the readers view the NEWS.

IT IS GOOD to know two of our Sierra Madrenas are up and around town again. Mrs. Clare (Emily) Pesak, Clare's "right hand man" at Clardon, is home after a

week in the Sierra Madre Community Hospital.

Our neighbor, Mrs. Emilia Barnard at 232 E. Highland, is much better after a severe attack of arthritis. It is unusual not to see Lady Barnard out tending her roses and plants. It was a fine sight to see her inspecting the landscape and planning new flower areas come April and May.

MR. AND MRS. GEORGE (MARY) SWANSON of 73 N. Mountain Trail have returned from a five-weeks' tour visiting friends and old associates in Arkansas and Ala-

bama. Mrs. Swanson is a native daughter of Alabama and has a slow swing'n and charming accent. Mrs. F. M. Brettel of Mobile accompanied the Swansons on their return trip to Sierra Madre and will be their house guest for several weeks.

THE CIVIC CLUB would like to express its gratitude to the business people of Sierra Madre for their cooperation for the club's benefit show, Feb. 22 (Washington's Birthday) at the Sierra Madre Theater and for cooperation of the theater's owner, Ray Harris, and Man-

ager Louise Stamer.

Forty merchants gave their generous assistance with approximately 60 prizes given away.

Wouldn't it be a wonderful thing if theater and Sierra Madre businessmen and women could cooperate by having benefit shows on several of the holidays during the year?

Remember this: The Civic Club is a local organization with Sierra Madre members only—they support your civic efforts, contribute untold hours to your community activities. Please give them your support.

BRADY ROBERT GRUBER was born Saturday, Feb. 24 at 4 p.m. in St. Luke's Hospital, weighing in at 9 pounds. He is the first child born to Mr. and Mrs. George Gruber of 55 N. Lima St. and his lovely mama is the former Polly La Lone.

Maternal grandparents are Mr. and Mrs. Robert (Joyce) La Lone, 335 Acacia, and Brady is their first grandchild. His maternal great-grandmother is Mrs. Olive Fowler of Sierra Madre.

Paternal grandparents are Mr. and Mrs. Robert F. Schmitt of 430 E. Montecito. Mrs. Mary Kiggins of 51 Es-

peranza claims Brady as her eleventh great-grandchild, maternal side of the Kiggins family.

Many of you Sierra Madrenas and Foothill residents know Father Gruber as "Sonny" and Grandfather "Smitty," both employees at Roberts Market.

P.S.: Not to be left out of this family is Smitty's mother, Mrs. Madeline Schmitt of Pasadena, who is Brady's step-great-grandmother. And Frank Van Winkle, a cousin, is a meat cutter at Roberts Market.

class Wednesday mornings with the Creative Art Group at 37 Montecito, Sierra Madre. Current show will be open Friday nights, March 2-9 from 7:30 to 10:30 o'clock. Suggest you stop in at the Ramon Lopez Gallery and Mmm—can't remember the correct spelling but the gallery and exhibit room is about 25 feet and four steps north from Trudie's which is located at 39 Montecito.

## 'Girding Globe' Film To Be Seen

The Community Friendship Club will hold its regular monthly meeting Monday at 2 p.m. in Park House. Mrs. A. C. Braden of Pasadena will show her latest around-the-world color film, "Girding the Globe." Tea will be served.

## Hospital Auxiliary To Meet March 14

Entire membership of Sierra Madre Community Hospital Auxiliary will meet Wednesday, March 14 at 10 a.m. in Park House across the street from the hospital.

The Agenda will include progress reports, plans for activity expansion and presentation of the business and social calendar for the year.

THE WEDDING CAKE HOUSE, one-time Sierra Madre Hotel and private home built in the early '80s on what was then known as the Pinney Land Tract at 225 N. Lima, is subject of many artists' paintings to be shown at the Old Adobe, 37 E. Montecito, starting tomorrow night.

STUDENTS of Robert Uecker, outstanding young painter and teacher of this area, are having an exhibit of their paintings in various mediums. Twenty different versions of the splendid old house still standing and occupied by the Eppard family will make up part of the show.

Uecker has recently started teaching a watercolor

## Jack Ross Elected Prexy Of School's Student Body

Election of second semester Student Body officers was completed at Sierra Madre School last Monday morning. Election followed a morning assembly in which 13 candidates presented to the Student Body their qualifications and reasons for running.

Mr. Mitchell's 6th grade class swept the election with Jack Ross, president; Mike Howard, vice president; and Patty Hawkins, Student Body secretary.

Ray Bowman, 5th grade teacher and faculty sponsor of the School Safety Committee and Student Council, conducted the assembly and introduced each candidate. Other presidential aspirants were Cheryl Everhart, Arthur Schaefer, Johnny Graham and Bob Davis. Vice presidential candi-

dates included Sharon Anderson, Nancy Souders, and Mark Sailor. Secretary nominees were Debby Richter, Edna Dumas and Denise Koch.

**PURPOSES** of the Student Council are to prepare students in leadership and government through experience in solving school problems in a democratic way, to improve citizenship, and to develop student understanding of school functions through cooperation with the faculty.

Planning and conducting school assemblies and helping with school safety programs are two traditional Student Government programs at Sierra Madre School.

## TRAVEL-FAX

By John Baldwin Seales

**WITH THE TRAVEL** season rapidly approaching, now is a good time to review the status of your passport in order to be sure that it will be valid for your trip. If you have one of the older types, characterized by its green cloth cover, it was valid for two years from the date of its original issue, and can be revalidated for a total of four years from that date. The newer ones, with the blue-green plastic cover, are initially good for three years from the date of issue, and can then be renewed for a further two.

**IT IS MOST** important to ensure that your passport's validity will cover the date of your return; quite a few people go off on their trip with a passport which will expire while they are away, and run into all sorts of problems while en route.

Should you not have a passport, the procedures for obtaining one have been greatly simplified in recent years, but it is well to make early preparation for your application.

Provided all the necessary papers are in order a passport can be issued within a week of making application, but in many cases it takes far longer than this to obtain the necessary supporting documents.

**A PARTICULAR** case in point is that affecting birth certificates. If you have yours on hand you are in good shape, but if not, obtaining these vital documents can sometimes present problems, and in quite a few cases may prove impossible of accomplishment.

There are alternatives open for your use; affidavits of birth are acceptable, but they must be in the form prescribed by the Passport Office.

**IN GENERAL,** it is recommended that, where you are applying for a passport for the first time, you should make initial preparations at least three months prior to your departure date. Note though, that it is advisable to have the actual issuance made closer to the date of departure so as to obtain the full length of validity.

Should you have questions concerning your existing passport, or relating to your application for a new one, we will be most happy to answer these.

## Weekly Radio Program Of Library Information

The Sierra Madre Public Library is participating in a weekly radio program in cooperation with seven other public libraries in the San Gabriel Valley. April 18 is the date set for our first program.

However, you are invited to listen every Wednesday at 8:30 p.m. to "Horizons" on radio station KPCC. A half-hour program of cultural interest, "Horizons" is designed for the man or woman seeking to increase the scope of his own horizons.

These programs are made possible by the public libraries of Sierra Madre, Altadena, Alhambra, Arcadia, Monrovia, Pasadena, San Marino and South Pasadena. Watch for the announcement of our local program.

## 'Armchair Tour' of Europe Will Feature St. Rita's Guild Meeting on Tuesday

An "Armchair Tour" of Europe is in store for the women of St. Rita's Guild when they gather Tuesday, March 6, at 11:30 o'clock in the school hall for their monthly luncheon meeting.

Mrs. Ross W. Cortese will show a 50-minute film of her recent trip to Europe.

This film, which has been professionally edited and includes sound, is of special interest to all Catholics because of the interesting shots of famous basilicas, churches and cathedrals throughout Europe.

The tour which involved the entire summer, started with a jet flight from Los Angeles to New York, where Mrs. Cortese and her daughter Hedy, boarded the S.S. United States to Le Havre, France. There they rented a car to use for the remainder of their tour.

**A DRIVE** across the Normandy countryside brought them to Paris where they visited the Notre Dame Cathedral, the Louvre and the Eiffel Tower.

Their next stop was at Cannes on the French Riviera where they particularly enjoyed swimming in the blue Mediterranean.

A drive down the Mediterranean Coast brought them to Pisa where they viewed the famous Leaning Tower. The "Double Church" in Assisi, where St. Francis is buried, was of much architectural interest to them.

In Rome, they visited the Generalate of the Sisters of St. Francis and had an audience with the Holy Father, Pope John. St. Mark's Square and Basilica were also included in their tour.

Austria, Switzerland and Germany completed their tour.

**THE LUNCHEON** will be prepared and served by the 3rd grade mothers supervised by Mrs. William Barnes. Mrs. William Mang and Mrs. Joseph Grippi. They will be assisted by Mrs. J. R. Daniels, Mrs. Fred Osti, Jr., and Mrs. Albert Mock.

Mrs. Edmond D. Pulone, Guild president, will conduct a short business meeting at which time final plans for the Electronic Cooking Demonstration to be presented on April 3, will be divulged.

## Rummage Sale By Court Queen

A rummage sale will be conducted Friday, March 9 from 9 a.m. to 9 p.m. by Court Queen of the Rosary, Catholic Daughters of America at 422 S. Myrtle Ave., Monrovia. A variety of goods will be on sale.

This is a ways and means project of the court and persons interested in donating rummage may contact Mrs. William Dillon, Hillcrest 7-5373; Mrs. Francis Powers, ELliott 8-8879, or Mrs. Paul Schuergens, ELliott 8-7272.

## Storkland

Sharon Lynn Stuart, weighing 6 pounds, 3 ounces, and born at Altadena Community Hospital, has arrived to gladden the hearts of her parents, Mr. and Mrs. Russell M. Stuart of 332 Fowler Dr., Monrovia.

The young lady, a first child, has for her maternal grandparents, Mr. and Mrs. Harry A. Pulaski of 3115 Doyne Rd., Pasadena, and for her paternal grandparents, Mr. and Mrs. D. Stuart of Monrovia.

Mr. and Mrs. Melvin Johnson of 686 Brookside Lane, Sierra Madre, are parents of a daughter, Paris Lyn Johnson, weighing 7 pounds, 14 ounces, 24 inches long, and who arrived Feb. 23 at 10:50 o'clock at Sierra Madre Community Hospital. She has a sister, Shelly Anne.

Mr. and Mrs. Edward Johnson of Arlington, Mass., are the paternal grandparents, and Mr. and Mrs. Ralph Faith of Arcadia, the maternal grandparents.

## Five Sierra Madre School Pupils Okayed by Pasadena All-City Honor Orchestra

Five boys from the Sierra Madre School instrumental music groups have been accepted in the Pasadena City Schools All-City Elementary Honor Orchestra. Gary Young, trumpet; Jack Ross, trombone; Richard Stork, baritone; George Throop, drums, and Brian Bonney, violin, were selected.

Mrs. Janitta Keck, instrumental music teacher, teaches each Wednesday morning and Friday afternoon small groups of various musical instruments. Seventy-five boys and girls in the 4th, 5th and 6th grades are learning to play instruments at school.

**SELECTIONS** for the All-City Elementary Honor Orchestra were made at Pasadena City College where tryouts included students from all the 29 Pasadena elementary schools.

Purpose of the orchestra is to give the more advanced players from all of the schools the opportunity to play more challenging music together. They travel by school bus for weekly rehearsals in the new music building at City College each Friday from 2:45 to 4:30 p.m. The All-City Orchestra will be playing at Pasadena High School Auditorium on March 24. The public is invited.

## Table For Men At Church Dinner

"Luncheon Is Served!"

The public is invited to attend "Luncheon Is Served" at Sierra Madre Congregational Church on Tuesday, March 13, at 12 o'clock noon. Sponsored by the Women's Fellowship, Chairman Mrs. Clinton Symonds reports there are accommodations for 125, including a table for men.

For reservations, call Mrs. O. Cline, ELgin 5-2564; Mr. Mel Stine, ELgin 5-9240, or Mrs. M. Williams, ELliott 9-2792. There will be a baby sitter for those with children.

## 2 Sierra Madre Girls In Search Talent Contest

Two Sierra Madre girls will participate in the 27th annual Search for Talent Contest in the Pasadena Civic Auditorium.

Cheryl Osti, the daughter of Mr. and Mrs. Robert (Yvonne) Osti of 241 W. Montecito, has been advanced directly to the finals. She is considered an excellent musician on organ, piano and accordion.

Appearing Sunday in the semi-finals of the junior division will be Trudy Lyn Johnson, the second Sierra Madre girl to take part in the contest. Seniors will join the junior and intermediate division for the first time in many years when the gala event is presented in the Auditorium.

## Wilders Are Off On Hawaiian Trip

Among the passengers aboard the Matson Line's Lurline sailing from Los Angeles Harbor on March 4 will be Mr. and Mrs. W. S. Wilder and John Wilder of 500 Gatewood Lane, Sierra Madre.

## The PLAZA Shop Talk

By Sewall Clark

**IF YOU** have wondered about business hours at the Plaza Shop for women's wear then move over, please — we're in the same boat. Trudie (my wife) and I have wondered, too.

After we opened in mid-December we said in January we would be closed Sundays and Mondays. Trudie, charter member of California Fashion Designers and a former dress manufacturer, knows the women's garment industry from all angles. She wanted Mondays off to do her "scouting" for special buys.

**IF SHE** doesn't know where to find the "golden buys" for a dress shop then nobody does. She buys in small amounts from quality houses where everybody seems to enjoy watching a former compatriot getting the "steals" for her little shop in Sierra Madre.

I have watched their faces, and sometimes I think I see a look that says they, too, have dreamt of leaving the "Big Time" for "a tiny shop near the mountains or the sea" — some day. (What day?)

**"A PATIO, too!"** some of them remark. So? What's wrong with a bit of relaxation in business? A touch of soothing scenery never hurt anybody.

The man who first said something about never mixing business with pleasure must have been a most unhappy guy.

**REMINDS ME** of an executive I once knew during radio-TV days in Hollywood who gulped his martinis and large amounts of food at table while scolding me for not eating more ("Make use of your expense account, kid.") and for eating "too slowly."

In the midst of giving me this advice he would belch loudly, reach for a bottle of white pills and slap one down his throat. Just could not understand, he said, why "these lousy doctors" could not find a cure for "simple stomach pains."

**STOP CHANGING** the subject, Clark. Tell the folks that the Plaza Shop is now open Mondays at about noon. Other week days: 10 to 5:30 — later Fridays.

Also, tell them you are not a "sample shop." You do not deal in "seconds." In fact, some of the so-called "samples" at the Plaza Shop are designers originals, or "firsts," which Trudie may find ahead of certain "elite" stores which will sell the same garment weeks later at twice the price.

**YES!** Trudie has some new "golden buys" this week. But remember, please: we find them just a few at a time and we seldom have more than one or two dresses in the same pattern. It's a fascinating business almost like a treasure-hunt. "Ask Trudie" The Plaza Shop 39 East Montecito ELgin 6-1495

## Capt. Malone In Home Here

Capt. Eugene Ives Malone, officer in charge of the U.S. Naval Ordnance Test Station in Pasadena, his wife and five children, have moved from Alhambra to home at 341 San Gabriel Court, Sierra Madre.

Capt. Malone has been in charge of the test station since July, 1961. He and his wife come from an old pioneer family of the West.

## Jazz Music Stirs Crowd

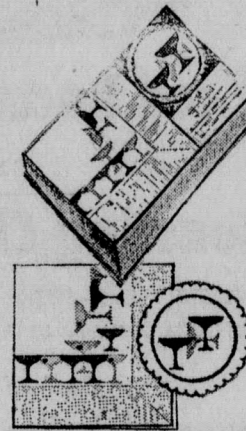

By Frank B. Barbour

A small but appreciative crowd was entertained last Sunday afternoon in Sierra Madre School auditorium by a group of the best jazz musicians from the Southern California Jazz Association.

The group kept the audience entertained for one and one-half hours of the best in New Orleans jazz music that has been heard here in many a moon.

Following the program many requests were received by the Lions Club which with the City Recreation Department, sponsored the concert, for a return engagement.

## Babe Ruth League Sale On March 23

Ann Neely, Millicent Hillard and Wanda Shackelford were hostesses for the February meeting of the Women's Auxiliary of the Sierra Madre Baseball Association. They provided coffee, cookies and a welcome fire in the fireplace of the Park House for members and guests.

President Virginia Light-hizer introduced Bill Treder, Babe Ruth League president, who presented the Babe Ruth budget for the 1962 season.

"Red Waite, as equipment manager, will be the only authorized purchaser for the Babe Ruth League," explained Treder. "We plan to buy locally, as much as we can."

THE BABE RUTH budget was underwritten by the Women's Auxiliary. They plan to raise the funds through the Booster Ticket Sale and the annual "Baseball" dinner dance.

Jeanette Austad and Nancy Throop, chairman of the Booster Ticket Sale, announced everything was in readiness for the sale to begin on March 23, as planned. One of the awards from the Booster Ticket Sale will be three wondrous days at the Star Dust in Las Vegas. Meals and reservations for the floor show are included in this fabulous vacation.

Next meeting will be at 8 p.m., Wednesday, March 21, in Park House. If you are a baseball mother you will want to attend.

## All-Number Calling For Phone Firm

Use of letters, associated with numbers, on the telephone dial has reached the point where its usefulness has been outlived and alphabetical prefixes will one day be abandoned entirely, according to Dale Eckrote, district manager, California Water & Telephone Co.

Starting March 1, all telephone companies in the Los Angeles metropolitan area are adopting a program of gradual elimination of two-letter prefixes and will substitute numerals for them, Eckrote said.

California Water & Telephone has set up its procedure and the first stages of the program will include all new applicants for telephone service, and in some cases, those existing subscribers who move.

Also included will be those instances in which the subscribers request service changes wherein it will be necessary to change the present telephone number, the manager explained.

HOWEVER, the plan as now established will affect our present customers only in the circumstances as stated, Eckrote said, and a continued usage of the EL liott and ELgin prefixes under any other condition will prevail for some time. The changeover, while inevitable for all customers, is planned to take place on a gradual basis.

The new plan is called All-Number Calling, and is part of a nationwide renumbering program. It is estimated that by 1966 all present two-letter, five-digit numbers in the Greater Los Angeles Area will be changed to seven digits as a result of the method now being adopted.

All-Number Calling (ANC) and seven-digit identification of telephones have been brought about, Eckrote said, by the fact the present telephone dial does not have the capability to produce sufficient combinations of letters defining English words or names. The maximum number is 540, as groupings such as VR, NS, or JM, among others, cannot be used.

USE OF NUMERALS in the prefix will eliminate this condition and result in a maximum dial capability of 800 combinations, thus providing the solution to the industry's problem.

Eckrote pointed out that the starting of the ANC program, even on a gradual basis, at this time will not produce any hazards for California Water & Telephone subscribers relative to the receiving of incoming calls. The changes when made, affecting any present customer, will involve merely a substitution of numerals for letters. Thus, a present EL-8 or EL-9 prefix becomes 358 or 359, an EL-5 or EL-6 becomes 355 or 356, respectively.

## Flares Dropped From Up Above

For several nights last week, lastly on Saturday, area residents report seeing flaming objects dropped from what appeared to be a flaming plane streaking through the sky.

Apparently, police were told, parachute flares were being dropped directly over Sierra Madre.

## Little League Registration

Registration and tryouts are scheduled at 9 a.m. Saturday, March 3, at Heasley Field.

Eight and 9-year-old boys are scheduled at this time, but any boy 10, 11 or 12 years old, may register and try out.

Boys must register to be eligible for Little League. This includes the boys who are on a major league team. The Sierra Madre Baseball Association wishes at this time to extend a special invitation to parents and the public to attend the Little League games. Participation as a spectator gives moral support to the boys, says players' agent, John Dunnagan, EL 5-6230.

## 18 Youths Are Suspects In Loot Ring

Some 18 Sierra Madre juveniles are under investigation in connection with a series of burglaries which police uncovered last week and in which the loot, mostly recovered, exceeded \$5,000.

This is in addition to the juveniles already accused, together with Albert Dwight Haynie, the so-called "Fagin" of the gang. Haynie is charged with grand larceny while his stepbrother, 13, and another youngster, 15, are held for juvenile authorities.

HAYNIE pleaded guilty at his preliminary hearing in Pasadena Municipal Court this week, and was placed on probation pending sentence and probation hearing later this month in Superior Court.

Six of the 18 youngsters still under investigation are reported to be directly concerned with the robbery ring of which Haynie was the reported leader.

While your car is being washed or waxed, a convenient, restful, waiting area is located on the premises for every patron.

## Edison Plants Rated Tops

Four Southern California Edison Company steam-electric generating stations which serve Sierra Madre are rated the most efficient gas-and-oil fueled power plants in the nation, according to a Federal Power Commission survey of plants across the country.

The government regulatory agency's 1960 report on nationwide generating economies ranks Southern California Edison plants one through four and includes five Edison installations in its list of the "top ten."

Edison's Mandalay Steam Station, at Oxnard, ranks first in the United States on the basis of heat rate and electric power production costs (mills per kilowatt-hour).

Investor-owned electric company's Huntington Beach Steam Station is in second place. Alamitos, near Long Beach, is rated third, and the company's El Segundo Station is fourth.

## 'Sierra Vista' Apartment Is Now Ready

"Sierra Vista," Sierra Madre's newest quality apartment house at 595 W. Sierra Madre Blvd., is now ready for occupancy.

Nat L. Weber, builder of this fine housing project, says that "I am proud to have had the opportunity to

build this beautiful 12-unit apartment house in this progressive and growing community. I have made every effort to install numerous refinements and necessary appointments that would satisfy the needs of the most discriminating homemaker."

THE BUILDING features double walls between apartments for complete soundproofing; forced air heating with ducts leading to all rooms; air conditioning; luxurious carpeting; sliding glass doors leading to private enclosed patios.

Rooms are spacious and the closets large. Kitchens are wired for electric or gas stove, with a separate food pantry and a breakfast nook.

Attractive landscaping further enhances this fine new building. To satisfy the demands of the two-car family, extra carports are available.

3841 EAST SIERRA MADRE BLVD. (At Michillinda) PASADENA

HASTINGS RANCH CENTER

"RAIN, RAIN, go away, come around some other day." Comely Carol Acra of Sierra Madre, stands behind the sandbags in front of the Roberts Market, holds tightly onto her umbrella, puts out one hand to see if the raindrops still fall and wishes for sunshine to replace the seemingly omnipresent rainfall of the past two weeks. Carol was rewarded "somewhat" for the sun did splinter through the clouds at intervals Tuesday and Wednesday.

## Little League Registration In Hastings Ranch Due Saturday at Hamilton Park

Registration for the Hastings Ranch Little League this season will be this Saturday, March 3, at 9 a.m. at Hamilton Park.

The registration is for all boys ages 9 through 12 who have never played in the Hastings Ranch Little League. Boys are eligible who were born on or after Aug. 1, 1949 to July 1, 1953, and who live within the boundaries of the west side of Michillinda, south from the mountains to the railroad tracks; west to the east side of Sierra Madre Villa, north to New York Dr.; and northwest to Eaton Canyon Wash and to the mountains.

Proof of birth date is essential.

TRYOUTS FOR majors will be at Hamilton Park as

follows:

There are two topics of conversation which take precedence over any others these days, the weather and the astronaut.

As far as the weather is concerned, there is the turtle. Rumor makes the turtle a rainfall. It was supposed to have dug itself in to hibernation for the past two years for the exact amount of rainfall that we had in 1960 and 1961.

Now I've heard the indomitable little fellow has dug in 31 inches. I dunno; it's just rumor, but I for one am not going to store my rain gear.

As for the astronaut—I'm glad there are people in the world like Col. John Glenn. If the country depended on people like me to launch into outer space, they would never get off the ground. I'd never make it to the first landing on the elevator!

THIS SEEMS to have been the week for baby showers. Mrs. Kenneth (Peg) Christianson and Mrs. John (Mae) Hawkins collaborated on a lovely shower held in the Sierra Madre Villa home of the Christiansons to honor the new baby in the Don Loynd home. After the luncheon and gifts the ladies all played bridge.

Guest list included Mmes. Audrey Wiles, Joy Otte, Ruth Seichert, Lorraine Griffith, Katie Fox, Ruth Senou, Mary Cahoon, Cynthia Baugh, George Holmes, Phyllis Baugh, Jolly Hogan, Lucille Paschall, Marilyn Rogers, Nancy Mueller, Louise Gardiner and Sylvia McRoberts.

MRS. LINCOLN WILSON of Old House Rd. also had a stork shower recently to honor Mrs. S. Jay Welborn who is expecting her second child some time this month. It is always such fun to write about Mrs. Wilson's parties because she never fails to come up with unusual conversation pieces in her decorations. She really outdid herself this time.

I'll try to draw a word picture of the centerpiece for you. Out of a half of watermelon she fashioned the most adorable bassinet you'd ever want to see. She carefully scalloped the edges of the melon. The outside was frosted white and fluffy with cream cheese and coconut. Where the head would be, she fastened two tiny bows.

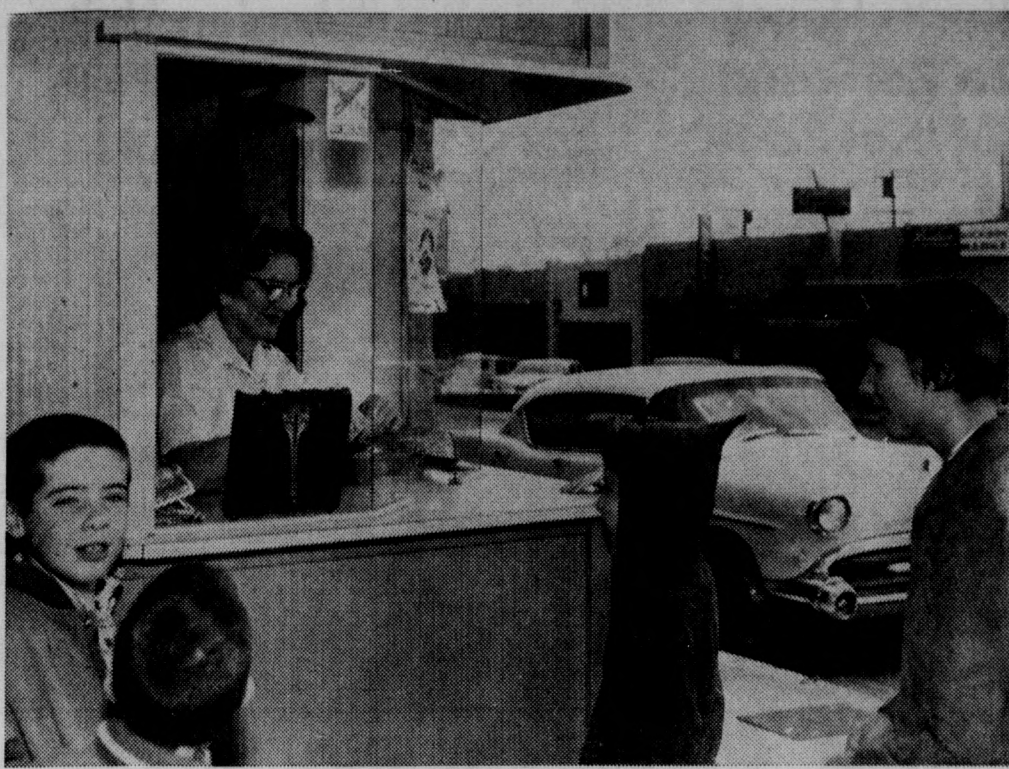

The inside was hollowed out and filled with fresh pineapple and other fruits, artfully arranged. The whole bassinet was nestled in a bed of salad greens on a big tray.

On each table she had dainty flower arrangements in little containers fashioned like baby blocks, storks and boots. The fun of the party will linger on as all the guests formed a baby pool to guess the time and date of its birth.

Guests were Mmes. Ted Banks (Mrs. Welborn's mother who is visiting her from Evanston, Ill.), Robert Miller, Edgar Flentie, Phil Deuchler, Marshall Henderson, William Allen, William Wetherbee, William Witmer, Tige Payne, Earl Dow, John Chapman, Stanley Pollard, C. W. Lambert, Tjaart Nanninga and Harold Kloeke.

MR. AND MRS. LEONARD EBBRE of Kinneloa Mesa were hosts a Sunday ago at an open house for members of the Church of Christ Church of Pasadena. During the afternoon more than 100 guests dropped in for coffee, punch, cake and cookies, and a lot of good friendly talk.

THE LE ROY THOMPSON home on Kinneloa Canyon Rd. has been the scene of much social activity this past two weeks.

IT'S SMILIN' TIME for Mrs. James Bryce (Ann) Tyler as she dispenses tickets for the Civic Club benefit held on Washington's birthday anniversary. Four customers await outside the ticket office, ready to augment the crowd inside the Sierra Madre Theater.

## Demo Group Held Facing Critical Time

"The California Democratic Council, now at the peak of its growth and political influence, faces perhaps the most critical period since its beginning nine years ago," declared Martin Weinberger, member of the Los Angeles County Democratic Central Committee and editor-publisher of the Claremont Courier, reporting on the recent CDC State Convention in Fresno to the Sierra Madre Democratic Club at its regular monthly meeting last Monday night.

The problems facing the CDC are caused in major part by its success in electing Democratic officeholders, he said. Will CDC continue to be a vital, "grass roots," volunteer, policy formulating arm of the party? Or will it increasingly become a rubber stamp organization responsive to the will of the incumbent officeholders and political professionals?

SHOULD THE LATTER happen and should issues activity decline, he said, the problem facing CDC would be how to keep its present 75,000 volunteer members interested in politics.

Many of these persons entered the political arena because they were interested in political issues, better candidates and good government, rather than for the traditional "what's-in-it-for-me?" reasons.

Mr. Weinberger pointed out that California, by laws enacted during Hiram Johnson's Progressive administration near the turn of the century and designed to "remove the political parties from politics," has practically no political patronage to dispense. Therefore, continued vitality of party organization depended on the effective use of other motivations to political activity.

THE QUESTION of how best to use volunteers is also critical, for the same reasons, to the incumbent officeholders and professional politicians since much of the leg work in election campaigns must be performed by volunteer workers, he added. Historically, most candidates prefer to use the physical labor of volunteers.

ILL TRY to give you a word or two about some of the new people from time to time, starting with Mr. and Mrs. Arthur Gillian of 2207 Brambling Lane.

The Gillians have three children, Ann, 8; Susan, 6, and James, who is just five months old.

They live in a beautiful new home that they designed and decorated themselves. They have planned it for family living and easy entertaining which they plan to do come warm weather and the completion of their new pool.

Interest-wise, Mr. Gillian is president of the Kas-sol Corporation. Their hobbies lie towards camping, swimming, art and a little mosaic work thrown in on the side.

MR. AND MRS. A. A. WALDRON of Old House Rd. had a bangup pot-luck party recently in spite of the weather. Or I should say, regardless of the weather, the guests availed themselves of outside table tennis with much gusto.

House and tables were gaily decorated like a scene from a cabaret, replete with gaily covered tables and candles glowing brightly in bottles.

The party was given for the faculty of the Ramona School in Alhambra, and all of their respective spouses and escorts.

Among those there were the principal and his wife, Mr. and Mrs. Richard Dial.

BOYS FIND RIFLES

Two boys, Fred Brunning of 161 W. Grand View, and Michael Hubik of 320 Toyon Rd., told police of finding two rifles of foreign make, .30 calibre, in the thick grass at the Sierra Madre School

## Cub Scouts Pay Honor to Presidents

Sierra Madre Cub Scout Pack 381 held its annual Blue and Gold dinner Feb. 16, at the Sierra Madre School Cafeteria. The event proved to be most successful, with many little Cubs and their families in attendance. Theme of the month was United States Presidents and the boys did a fine job in carrying out the theme in the table decorations which they had made.

MERIT AWARDS were presented to the retiring committee members who have done an outstanding job for Cubbing the past year. They included Kaz Hashitsume,

Carl Bischoff, Mark Schaefer, Ed Neilsen and Jim Dittmar.

Awards also were presented to the Den Mothers for their fine work. They included Betty Collup, Julie Atterbury, Marg Nummelin, Jean Kipatrik, Evelyn Schaefer, Betsy Young and Vi Ross, Den Mother chairman.

## Girl Scouts Plan Rummage Sale

The Sea Nymph Mariners, Senior Girl Scouts, plan a rummage sale to raise funds for their activities. This includes a trip to Mexico this summer. They would appreciate contributions which may be left on March 2 and 3 at 282 W. Sierra Madre Blvd., formerly Ceco's.

## Dinner and Musicales at Guthertz's

Mr. and Mrs. Hans Guthertz were hosts at dinner and a musicale at their home at 547 W. Sierra Madre Blvd., on the evening of Feb. 24. At the musicale the Anderson family showed slides of their last year's concert tour through Europe, varying their program with sacred music.

Dinner guests were Mr. and Mrs. E. Anderson and sons Dan and Richard; Mr. and Mrs. N. Rundlett, the latter daughter of the Andersons; Roy Plummer, theological scholarship student from Jamaica; J. Milken of Salton City; Mrs. Martha Griffin and Mr. and Mrs. Roland Guthertz and sons, Steven and Stuart.

Guests for the musicale were Dr. and Mrs. Charles J. Kurtz, Mr. and Mrs. Meisner Reimer and mother; Mr. Black and daughter, Linda; Mr. and Mrs. Shea and daughter, Katie; Mr. and Mrs. D. Johnson, Mr. and Mrs. E. Stone; Mr. and Mrs. H. Spriggs, Mr. and Mrs. E. Murphy; Mr. and Mrs. Baker, Miss V. Ihrig and Miss J. Carlson.

**THE FLEA** and Dragon Song were put in for the enjoyment of adults and children, also some songs for everyone to join in. After the concert, refreshments of cake, with a large cake in shape of a grand piano on top made by Janet Guthertz was enjoyed by everyone, also tea, coffee and cookies.

Everyone felt enriched and rewarded. The Anderson family received many thanks from Mr. and Mrs. Anderson sang a few duets accompanied by their daughter Judith. Mr. Anderson sang solos accompanied by Mrs. Anderson. Mr. Rundlett sang "Die Lotus Blume" accompanied by his wife, Judy.

Dan Anderson played a violin solo accompanied on the piano by his brother, Richard.

As a family group they sang a few Negro spirituals.

## Friendship Club Tea Party Host Is Mrs. Bullock

Mrs. Lola Bullock entertained the social group of the Friendship Club on last Thursday afternoon at her home, 42 Windsor Lane, with a Washington's Birthday tea. A nice fire in the fireplace made a cozy afternoon for the ladies.

## Robert D. Jones Joins Agency

## Kurtz Home To Be Scene Of 'Hat Party'

"Ballads on Bonnets" is theme for the hat party to be given Saturday, March 3, by the San Gabriel Valley Auxiliary of the Children's Home Society of California.

The party is to honor all associate members and all new and prospective members, and will be held at the home of Mrs. William Kurtz, 1965 Lilliano Dr., Sierra Madre.

The Children's Home Society is the only licensed

adoption agency serving all of California.

EVERYONE is to wear a hat depicting a song title, and prizes will be awarded to the most original hats. Co-chairmen for the event are Mrs. Jack DeWitt of Temple City and Mrs. Tom Ransom of El Monte.

In 1961 the Children's Home Society of California placed 987 children in permanent homes.

## Mrs. Nourse Has Northern Guests

## Mardi Gras Masquerade At La Salle

The La Salle Artists Guild will sponsor a Mardi Gras Masquerade Ball in the school cafeteria on Saturday, March 3, from 8 to 11:30 p.m.

Gala costumes, a dance-band pavilion, and candle-lit tables arranged to simulate a sidewalk café will highlight the decorations. A bubbling fountain, a candy filled pinata, noisemakers, confetti, and refreshments will complete the festive atmosphere.

Tad Hunter and Dick Baumer, each of Arcadia, head the Artists Guild, under the guidance of Brother T. Harold, F.S.C. Others on the committee include Bob Sexton, Joe Saraci, Bert McKenna, Tom McIntosh, Bill Bryson, Richard Abts, Joe Gardner, Mike Bowler, and Al Peck.

Music will be supplied by "The Saints" dance band.

The Mardi Gras Ball will be, as it is traditionally, the last affair before the Lenten season marks a respite in the La Salle social calendar.

## Brownie Unit Is Invested

Girls of newly-formed Brownie Scout Troop 528, 2nd grade at Sierra Madre School, were invested at a ceremony held at Camp Mariposa in Altadena on Thursday, Feb. 15.

Those receiving their pins from Leader Mrs. Leonard Popp and Assistants Mrs. Talmadge Morash and Mrs. Robert Davis were:

Nina Augustiny, Susan Barrick, Cheryl Bestor, Barbara Bevington, Jennifer Brewer, Taryn Carlson, Betty Colbert, Kathleen Cole, Patty Davis, Cynthia Farley, Margie Hashitsume, Diane Hauck, Stacey Levine, Ann Morash, Gretchen Popp and Vicki Taylor.

After the ceremony, the girls served refreshments to their mothers who were guests.

## LEGAL NOTICE

**NOTICE OF PROPOSED VARIANCE**  
NOTICE IS HEREBY GIVEN pursuant to the provisions of the Zoning Code of the City of Sierra Madre, Section 16-1, that the Planning Commission of the City of Sierra Madre, has fixed Thursday, March 15, 1962, at 8:00 o'clock P.M. in the Council Chambers in the City Hall, 55 West Sierra Madre Blvd., Sierra Madre, California, as the time and place for holding a public hearing on a proposed variance to reduce the required front yard set back to 10 feet, as described as follows: a parcel, comprising Lot 5, Tract 9933 and the N. 22-35 ft. of Lots 16 and 17, Piedmont Heights Tract (Corrected) and a portion of Lot 22, Sierra Madre Tract.

Application and plans are on file in the office of the Secretary of the Planning Commission.

The proposed variance is based upon the grounds that there are special circumstances attached to said property which generally do not apply to other properties in the same district and vicinity; that the granting of a variance as aforesaid will not result in a material damage or prejudice to the public welfare or injurious to persons in the vicinity thereof; in that the proposed variance, if granted, would be subject to such conditions as the Planning Commission may deem necessary to assure that the spirit and purpose of said City Zoning Code will be observed, public welfare and safety secured, and substantial justice done to all parties.

Aims and objectives of Alverno Heights will be discussed at the parents' meeting. They will have an opportunity to visit the classrooms and speak with individual faculty members.

## 'Project Mercury' Stamp Is Issued

A blue and yellow 4-cent stamp commemorating the first orbital flight of a United States astronaut, was issued on Feb. 20, simultaneously with the completion of the flight, according to Postmaster Charles E. Louk. The stamp portrays a capsule in space with a portion of the earth in the lower left corner of the design. The wording "4c U. S. MAN IN SPACE" is superimposed over the globe and "Project Mercury" is across the bottom of the stamp.

Michillinda situation. Councilman Severin L. Sorensen who incidentally was observing his birthday anniversary, urged quick action regardless of legal technicalities.

Following lengthy discussion in which Mayor W. Webster Vannier supported Sorensen's position, a move to trespass on the Murphy property to install wire debris dams calculated to help protect the Michillinda area was passed unanimously.

**THIS MEANS** that the city already has trespassed on the Monastery property to build a diversion channel and will now trespass on the Murphy property.

Whether lawsuits will eventually remain to be seen.

The Sewer District 74 contract was awarded to the low bidder, Vukojevich and Korich for \$69,848.

The Senior Citizens Report from the Coordinating Council, a lengthy document presented by Mrs. Claude H. (Elena) Brown Jr., and Mrs. Peggy Cheadle, will be considered at an adjourned meeting of Council Tuesday night when the flood situation will again be canvassed.

**MRS. CHEADLE** also brought up the question of pedestrians being menaced by youngsters riding bicycles on the sidewalks.

Ordinance No. 683 giving the city engineer power to enforce draining control provision on sites for new buildings, was approved.

Resignation of Don, Bailey as tree foreman was received and Kenneth Bundy appointed to the post.

keep in mind," says Mr. Curtis, "at all times is that we are exercising a legal, constitutional right, in a legal, constitutional manner."

"We are asking for nothing that does not belong to us by any legal or moral standard. We are merely trying to protect and preserve our American way of life, including the rights of those who disagree with us. As long as we maintain this attitude and line of action, we can hurt no one who is not an enemy of our country."

**VARIOUS PARTS** of the petition are worthy of reproduction so that prospective signers may understand its objectives.

"The Communist movement in the several states and in this state," the petitions read, "is an organization numbering many thousands of adherents, rigidly and ruthlessly disciplined. Awaiting and seeking to advance at a moment when the several states may be so far extended by foreign engagements, so far divided in counsel, or so far in financial or industrial straits, that overthrow of the Government of the United States, of the several states, and of this state, by force or violence may seem possible of achievement, it seeks converts far and wide by an extensive system of schooling and indoctrination. Such preparations by Communist organizations in other countries have aided in supplanting existing governments."

"The Communist organizations in the United States, in the several states and in this state, pursuing its stated objectives, the recent successes of Communist methods in other countries and the nature and control of the World Communist movement itself, present a clear and present danger to the security of the Government of the United States, the governments of the several states and the Government of the State of California, including its political subdivisions, that makes it necessary that the people of the State of California adopt the provisions of this article recognizing the existence of such worldwide Communist conspiracy, and designed to prevent it from accomplishing its purposes in this state and its political subdivisions."

**SECTION 6** is of particular interest, reading:

"No person who is a member of a Communist organization or of a subversive organization, and no other person who advocates the overthrow of the Government of the United States or

the state by force or violence, or who advocates the support of a foreign government against the United States in the event of hostilities, shall hold any office or employment under the state, including but not limited to, the University of California, or with any county, city or district, political subdivision, authority, board, bureau, commission or other public agency of this state."

Mexico which made even California part of our conquest.

**BEFORE THAT** even Horace Greeley, famous for saying "Go West, Young Man, and Grow Up With the Country," had for a time been one of those who believed the Rocky Mountains were

a God-erected barrier to keep the United States from the dangers of war with Russia, Canada or Mexico, and that our borders should never extend beyond them. It would be folly, they argued, to try to annex an area we could not defend because it would take months to march an army out of it and more than 100 days to send a fleet to its defense.

**BUT WHEN** Americans in Texas and west of the Rockies battled for what they held to be their rights our sympathies were all with them, and we helped them prevail.

So unless we want to give both Mexico and our country back to the Indians we might better just be amused by this new argument and be glad it caused some of us to look up a little history.

## Speaking Contest

trict contest at Long Beach and the final or area contest at Palm Springs.

Judges Thursday night were Mrs. Claude H. (Elena) Brown Jr., William F. Simmons, La Canada school teacher, and Mrs. John T. (Alice) Cassazza of Sierra Madre. William M. Waite

and Frank B. Barbour were the timekeepers.

**THE SPEECHES** also marked the 25th anniversary of Student Speech Contests conducted throughout the country by Lions Clubs.

Young Mr. Indergand touched on the instability of our times and the necessity for young folk to measure up to the demands of the times so that the freedoms won during the Ameri-

can Revolution may not be lost. Miss Fisher followed a similar trend, emphasizing forcefully the necessity for protecting our freedom so that Communism's design to conquer America may be balked, and Miss Holman compared the new responsibilities facing youth to "A Torch" that must be kept burning brightly for the cause of freedom.

The La Salle Folk Singers provided intermission music.

## An Advisory Cabinet

Mayor W. Webster Vannier has an idea well worth sober consideration by Sierra Madreans.

The mayor would like to see formed an advisory cabinet of leading, able citizens whose duty would be to consult with City Council on vital, paramount problems confronting the city fathers, and indeed, to originate and present improvements which they would deem needed.

Sierra Madre has a wealth of manpower material in this respect — businessmen, technicians, manufacturers, real estate leaders, and there should be little difficulty in effecting organization and functioning of such an advisory cabinet.

The SIERRA MADRE NEWS endorses Mayor Vannier's desire in this respect.

## Praise For Our Police

Sierra Madre has long been known for its good policing and honesty of its policemen under Chief Gordon G. McMillan.

This honesty was well exemplified the past week in the arrest of a young apartment house developer who is well-heeled financially, who should have known better, and who is charged with offering a \$100 bribe to Officer Douglas Tucker. In return, the officer was to filch from the Building and Permits office in City Hall, the blueprints for an apartment under construction.

**THE MOTIVE** is mystifying except that the Building and Permits Department reports that it has had to correct a number of instances in which the blueprint provisions have not been lived up to.

That Officer Tucker promptly divulged the offer to Chief McMillan, that county investigators were called in with the resultant charge against the young builder reassures us of the honesty of purpose and operation of our police.

Honesty by police should never be the exception, but when it is brought to light as in the present case, it is well worth recording.

## Republicans Awaken!

It is time for the Republicans in this community to get on the ball NOW and not remain quiescent and dilatory until after the primary in June. They have not done and unless they do and soon, an energetic and able Democratic minority could steal a march on them.

Democratic organization in this city is small in numbers yet mighty in effort. It is well led and ably directed, leaving no stone unturned to tighten and expand its activities and membership, especially among younger voters.

On the other hand, except for one social function, the Republican setup in Sierra Madre has done little in a concrete fashion. The Democrats are effecting a tight-knit organization in this city, notably a working precinct personnel. Have the Republicans been busy in this respect, the most important factor in the success of any election? If not, they'd better get busy before the Democrats slip a fast one over on them.

**WE WERE** talking with former Governor Goodwin J. Knight the other day and he made one remark that struck home forcibly and is especially applicable to the Sierra Madre situation.

"The Democrats," he remarked, "are busy working and organizing for victory; the Republicans read the L.A. Times and go to the races."

To which we add that "there are more 'John Doe's' than 'Percival Plutes' who vote and it is the 'John Doe's' who decide elections."

Complacency never won a political victory.

## Teachers' Pay Boost

Governor Edmund G. Brown in his \$3 billion dollar budget message to the Legislature recommended a 5 per cent pay boost for California teachers retroactive to last September.

There is a question about the retroactivity, many legislators holding that it is improper. But now the California State Federation of Teachers which is an AFL-CIO union of teachers and has no relation to the California Teachers Association and its powerful lobby at Sacramento, comes forward with another recommendation. It wants not a 5 per cent increase, but a 10 per cent boost, retroactive.

**REPRESENTATIVES** of the union say:

"We need a 10 per cent increase this year just to keep even with the workload, let alone the money we need to catch up with salary trends for the rest of America's professions and skilled job positions."

This workload comment will cause a general raising of the eyelids, and as regards teachers' pay and to counter this request which hadn't been made at the time the California Taxpayers Association issued its monthly publication, "Cal-Tax News," the group representing taxpayers points out that California teacher pay is at a new high.

The association says teachers' salaries represent about two-thirds of school costs, and points out that in 1950-51 the median salary of California's teachers was \$3,667 and 90 per cent of all teachers received less than \$5,000 annually.

**IN 1960-61**, the association says, the median salary had risen to \$6,437, and more than 35 per cent of all teachers were getting more than \$7,000 annually, with California having the highest teacher salary average of

### Farmers and Cadillacs

## Our American Agricultural Problem

**EDITOR'S NOTE:** Leland P. Marsh of 657 W. Grand View Ave., was born and reared among the farmers of Iowa and before coming to Sierra Madre quite a few years ago served various agricultural agencies in his native state.

He is writing a series of articles for this newspaper touching on aspects of the farm situation, some for and others against the men of the soil. Here is the first article. The next will continue his exposition in behalf of the farmer; after that his viewpoints criticizing the farmer and the farm situation will start.

By Leland P. Marsh

The ranchers and farmers of the United States have often been referred to by using the following phrase: "The fellows who are paid for doing nothing."

To answer this, I would like to ask these individuals if they have ever followed these men for 24 hours, or if they have ever totaled his investment, or if they have ever tried to analyze the magnitude of our nation's biggest business. I would like to quote some figures which show the magnitude of the farmer's operations.

It is composed of 3,700,000 independent producers which is the number of farmers shown by the 1959 census report of agriculture. On that date, 49.2 per cent of all the farmers sold less than \$2.50 worth of farm products. This comprised 1,638,000 farms; 16.7 per cent of the farmers of the United States sold products worth \$2,500 to \$5,000. This represented 617,000 farmers; 653,000 or 17.7 per cent produced products worth \$5,000 to \$10,000; and, 21.4 per cent or 794,000 farmers sold products worth more than \$10,000. In 1959 only 102,143 farms had sales totaling more than \$40,000.

**AMERICAN** agriculture has advanced more in the last 50 years than in our prior history. Modern farming, combined with progressive systems of marketing, processing and merchandising have provided wholesome food when, where and in the forms it is needed. It must be said the interdependence farmers and industry are so close they can't be separated — neither could exist without the other.

Research by our government and industry is constantly improving plants and animals, providing better management of soil and water and all of essential elements contained in our soils down to the trace elements, and is finding new and better methods of marketing, transporting, storing and merchandising farm products. Our agricultural colleges are quickly carrying new knowledge to farmers and ranchers who put them to use.

To define modern farming, it can be said it is the art of claiming from our soil those things which maintain our entire population. By modern methods of operation on our farms, the man-hours have been reduced to where the farmer can feed many more people than he could a few years back. All this is accomplished by modern methods of industry.

**FARMING EMPLOYS** 7,100,000 workers more than the combined employment of public utilities, the automobile industry, and transportation. Investment in agriculture is nearly \$200 billion which is equal to three-fourths of the value of all the current assets of all the corporations in the United States, or three-fifths of all the market value of the stocks in the New York Stock Exchange. Investment in agriculture represents \$21,300 for each farm employee as compared with \$15,900 for each worker in the manufacturing industry.

The question can justly be asked what does the farmer contribute to the economy of our country in spending. The farmer spends 25 to 26 billion dollars a year for goods and service to produce crops and livestock; another 15 billion dollars a year for the same things city people buy — food, clothes, drugs, appliances and other items.

In 1959, the farmers spent \$2½ to \$3 billion for new farm tractors and other motor vehicles and new machinery and equipment. About \$1 billion was spent in 1959 by the primary steel industry for new equipment and new plants. Each year the farmer purchased 3½ billion for fuel, lubricants and maintenance of machinery and motor vehicles.

The farmers use more petroleum than any other industry. One billion, 500 million was spent for fertilizer and lime.

**PRODUCTS** containing

320,000,000 pounds of rubber, about 9 per cent of the total used in the United States, or enough to put tires on nearly 6 million autos is used each year by the farmers of this country. He also uses 27 billion kilowatts of electricity or about 4 per cent of the national total which is more than is needed by the cities Baltimore, Chicago, Detroit, Houston and Washington, D.C.

The farmer is also a creator of employment. Four out of every ten jobs in private employment are related to agriculture. Ten million people have jobs storing, transporting, processing and exporting products of agriculture. Six million people have jobs providing supplies that the farmers use.

The following are a few examples of the 1958 figures of manufacture showing the number of employees and their pay roll:

**Meat and Poultry:** (including meat packing, poultry dressing plants) 308,500 employees with a payroll of \$1½ billion.

**Dairy** (including fluid milk, concentrate, and dry milk, butter, natural cheese, ice cream, and special dairy products) 292,600 employees with a payroll of \$1.3 billion. **Bakery** (including all baked goods) 299,000 employees with a payroll of \$1.3 billion. **Fruit and Vegetables** (including canned, frozen, and processed pickles and sauces) 172,400 employees with a payroll of \$591 million.

**Cotton Industry** 242,500 employees with a payroll of 722 million.

These figures are given for the purpose of comparison.

Farming is a progressive and sufficient industry. One hour of farm labor produces four times as much food and other crops as it did in 1920. Crop production is 65 per cent higher per acre. Output per man hour in non-agricultural industry increases by 2 per cent a year. Production of the farm worker in the 1950's increased by 64½ per year. One farm worker produces food for himself and 25 others.

The year 1960 farm real estate taxes totaled \$1½ billion. Tax on personal property on farms was a quarter billion. Income tax paid by the farmers amounted to \$1½ billion. Net taxes paid by the farmers on motor fuels was \$375 million and \$174 million was paid for motor vehicle licenses and taxes.

## Letter to the Editor

Dear Editor:

I am a retired mechanic; gardening has always been my hobby, and now I have taken it up for exercise. In your Feb. 22 issue of the Sierra Madre News I read about this little fellow whose life was snuffed out by an unsafe concrete flower pot. I work on the premises next to his home once a week and each time I parked at the curb this little fellow would be sure to come and greet me.

It looks like all the buildings on the premises where he lived are in poor condition. I have heard that roofs leak, wiring is defective, garages are open with wood floors, one of which has living quarters over it and a long stairs from the front up to these quarters. In case of fire the tenants would be trapped. There is also an open obsolete fish pond approximately eight to ten feet across; I don't know how deep, but deep enough to drown a child.

We had a fire inspection around our neighborhood within the last six months. The inspector was thorough with us and reminded us of the least little thing that might be dangerous. What happened on those premises? Didn't he get that far Or does a child's life have to be sacrificed before they take action? My only regret is that he will not be there to shout "hello" to me any more, and it hurts.

—WILLIAM P. SCHROEDER  
460 East Grand View Ave.  
Sierra Madre, Calif.

any state except Alaska, where costs of living figures make a comparison unfavorable.

Plenty of words are bound to be spoken when the Legislature resumes sessions, but it is a fairly safe bet that no one will attack the teacher salary problem where a lot of persons think it should be attacked.

This is in the field of a merit system for teachers. This field has long been shunted to one side by most organizations connected with the state's educational system. Organizations are not anxious for merit systems, because every member pays dues. Therefore, the organization must provide the same benefits for all its members, regardless of merit.

Dear Editor:

When the matter of the lot split, the three lots facing on Sunnyside, now served by what is Gatewood Terrace, came up before the Planning Commission in 1959 I attended the meeting and protested the lot split as I bought there because of an R-1 zone and did not want a house adjoining my backyard. (the back of my place is about 14 feet higher than the front). Anyone could look down into my house and backyard and kill all of my privacy.

The protest did no good. Then I asked for a limit of one-story building. One of the parties selling off the rear of his lot stated that I would be wrecked with a two-story building there). This protest did no good either. Now I have a two-story building next to my backyard. However one of the Planning Commissioners asked for and got a variance next to her property so that a door could not be constructed on the side of the house next to her.

**A MEMBER** of the Planning Commission got her request while as a private citizen I could get nothing. Then I explained the terrain of the ground and stated if and when the construction was started both in building and in street work that I was afraid heavy rain would flood my property. I asked for some drainage protection; this again did no good.

Now on Feb. 11 this year flood waters entered my house; there was a sea of water under the house, mud in my patio, around my pa-

tio furniture and my camellias were ruined.

This is not an Act of God. If they had left it the way God made it I would not have been flooded out (I had lived there 12 years and no floods). This is an act of man — Planning Commission and City Council for approving the lot split without some drainage requirement.

**IT SEEMS** to me we have enough floods without city officials helping to promote them.

The only ones we have to appeal to are the city officials and when they turn a deaf ear to you, what then?

I think every member of the Planning Commission and City Council who was a member at the time this lot split was granted should resign.

—HOMER R. WEEKS.

Dear Editor:

The writer is a charter member of the "Friends of the Library" and prior to moving to Sierra Madre was on the library board of an adjoining town for six years, so naturally is much interested in our fine library.

It is with much concern that I read the editorials in your newspaper criticizing the library staff and the board. The staff is composed of hard working girls, who are doing a fine job with a limited budget and the board members are outstanding civic minded people.

Mr. Lindsay, minister of the Congregational Church, was formerly a librarian, which makes him well qualified to be present on the board.

The "Friends of the Library" issue a "newsletter" each month telling of the activities of the library.

The board meetings are open to the public, so anyone may avail themselves of its activities.

A library is the highest cultural agency in a city and does so much to promote the educational growth of its citizens, especially the young people.

## OUT OF THE COBWEBS

**37 YEARS AGO THIS WEEK.** Feb. 27, 1925 — Mrs. Elizabeth Scott and Harvey Steinberger were married at the home of Mr. and Mrs. Robert Steinberger in Santa Ana Wednesday evening at 5 o'clock. Rev. Dr. Porter officiating. Mrs. Scott has lived in Sierra Madre for about three years and is a sister of Mrs. W. E. Doty. Mr. Steinberger has lived here since childhood. He is the son of Mr. and Mrs. L. E. Steinberger and has been in the contracting business for several years.

With perfect weather, the cornerstone of the new Masonic Temple was laid Saturday by Grand Master David John Reese of the Grand Lodge of California.

Dr. and Mrs. E. F. Jackson returned Wednesday from the beach where they had been spending a short vacation.

**19 YEARS AGO THIS WEEK.** March 4, 1943 — With the season's rainfall already practically three times that of this time last year, another rainstorm dropped over the mountains Tuesday night with the prospect that before it ended considerably more than 30 inches would be recorded for the season. Rainfall to March 2 was 29.03 inches; same date for 1942 it was 10.03 inches.

Platoon Sgt. Don Jackson of the Marine Corps was on leave during the weekend visiting his mother, Mrs. E. L. Jackson of 55 N. Auburn. He is stationed at the Marine Base in San Diego. Pvt. Ellet Jackson was also home Saturday from Camp Roberts where he is stationed with the Army.

Mr. and Mrs. Ralph Post of 525 Brookside Lane have been notified that their son, Wayne Bechtelheimer, has been given pilot classification in the Army Air Corps.

There has always been complete cooperation between the press and the library, so let us join in trying to understand each other and thereby promote peace and good will in our fine, little community, something that is very much needed today.

—ANNE K. JONESON.

Dear Editor:

The Sierra Madre Civic Club wishes to thank publicly and to express its deep appreciation for the enthusiastic response of the following Sierra Madre area merchants who donated door prizes for the benefit movie on Feb. 22:

Also, Sierra Cycle Shop, Sierra Madre Hardware, Sierra Madre Paint and Wallpaper, Sierra Printing and Mailing, Toy and Patio Village, Trade Winds Specialty Shop, Wistaria Bakery, Wistaria Beauty Shop, Wistaria Florist, and Youngland.

The Civic Club especially want to thank the Sierra Madre News for its publicity, Alyce Herrold for her assistance and Mrs. Louise Lake and the Sierra Madre Theater staff for the extra effort they have put forth to make this benefit movie possible.

MRS. NORMAN KENNEDY  
President  
MRS. JOHN WILSON  
Chairman, Ways and Means Committee.

Dear Mr. Editor:

Santa Fe Railway is completing a 39-mile relocation of its tortuous Ash Fork to Phoenix, Ariz. "peavine." Reduction of ruling grades from 3 to 1.42 per cent, and distance by 14 miles will shorten freight schedules two hours. The cost is \$3.5 million — unsubsidized.

This improvement proceeds in spite of threats by the unholy alliance of teamsters and politicians. They are determined to help Nicki bury us, rails and all, under a subsidized highway arena.

On this arena, the United States is expected to disintegrate in the truck traffic jam to end all traffic jams! —K. FRITZ SCHUMACHER, Former Santa Fe "Rail"

He is stationed at the Santa Ana Training Center.

**13 YEARS AGO THIS WEEK.** March 2, 1949 — Population of Sierra Madre is now 7,202, according to an estimate of the County Regional Planning Commission. Last October the estimate was 7,142. The difference indicates an increase of 60 persons. The population in 1940 was 4,581. Number of dwelling houses in the city is estimated at 2,460. This is an increase of 31 since last July. Estimated population of the entire county is 4,129,592. Los Angeles' population is put at 2,021,236.

Last week concluded "Lee-side" in the Los Angeles Times, a column written by Lee Shippey of Sierra Madre for the last 22 years. Mr. Shippey will devote much of his time from now on to the lecture field.

Mr. and Mrs. W. Murray Hawkins and daughter, Jane, of 610 N. Auburn, left Saturday for a week's holiday in San Francisco.

**7 YEARS AGO THIS WEEK.** March 3, 1953 — Sierra Madre has a new mayor. He is Charles H. James, senior member of City Council who was unanimously chosen at the City Council meeting Feb. 23 to fill the vacancy created by resignation of Charles E. Louk who was named Sierra Madre postmaster on Dec. 31.

Sgt. John A. Creighton, 26, son of William T. Creighton of 199 W. Baldwin, is a maintenance specialist at I Corps Headquarters in Korea.

## Rev. Swengel Will Start Series of 5 Sermons on 'Jesus' Five Laws of Life'

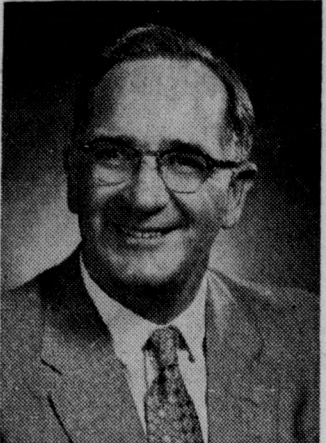

Rev. Clinton W. Swengel at the Sierra Madre Methodist Church will begin a series of five sermons this coming Sunday, March 4, on "Jesus' Five Laws of Life."

Discussions are based on the central issues which Jesus stressed in "The Sermon on the Mount"—anxiety, lust, anger, deceit, affectation. And as history has shown, Jesus' emphasis hits close home.

The sermon titles will be: March 4—"Anxiety vs. Trust." March 11—"Anxiety vs. Love." March 18—"Anger vs. Understanding." March 25—"Deceit vs. Honesty." April 1—"Affectation vs. Sincerity."

EACH WEEK'S sermon will be supplemented by a printed card distributed to each person in the congregation for him to carry during the following week for reference. On each card is printed the theme, scripture references, a statement of the problem and of our deep desire.

This series of sermons is intended to produce a discipline of growth during the days of Lent for the heart of Lent is in concentration on such practices as will intensify our loyalty to Jesus and enable us to follow Him for our deep good.

Rev. C. W. Stengel

during March (specifically beginning Saturday, March 3 and ending Saturday, June 2).

Proceeds from their labor will help support the mission work of the Church in New Guinea.

You can employ members of the EYC any Saturday between 9 a.m. and 5 p.m. by calling Mary Ann Hutcherson at Hillcrest 6-7865. If you need a gardener, shopper, babysitter, errand runner, housecleaner or even a life guard to take your children swimming, call Mary Ann, and help the EYC and their New Guinea Mission project.

## 'Sabbath of Democracy' Steckel Topic

Sabbath services will be held Friday night, March 2, at the Foothill Jewish Community Center, starting promptly at 8:30 o'clock.

Rabbi Charles W. Steckel, spiritual leader of the Temple Center, will conduct the services and will speak on "The Sabbath of Democracy."

Cantor Solomon Edelman will sing the prayers, accompanied by Mrs. Bernice Townner at the organ. Hosts for the Oneg Shabbat will be Mr. and Mrs. Irving Atlas and Mr. and Mrs. Leonard Kustner. The public is cordially invited.

DONALD WEISSMAN, president of the Foothill Jewish Community Temple Center Men's Club, announces that members and friends of the Men's Club will meet for their next Sunday morning breakfast on Sunday, March 4, at 10 a.m. in the social hall of the temple.

Rabbi Steckel will introduce the guest speaker, Dr. Jacob H. Cunningham, executive director of the Southern California Regional Office of the National Conference of Christians and Jews.

He will discuss the programs and hopes for the future of the National Conference of Christians and Jews.

Be easy-going, but it never pays to slow down to a standstill.

## News of the Churches

### Bethany Notes

Nine persons from Bethany Church of Sierra Madre participated in a baptismal service last Sunday night in an impressive ceremony as part of the regular Sunday evening service.

Each candidate gave his personal testimony of faith in Christ by tape recording, with the baptism immediately following. Dr. Robert N. Schaper, pastor, administered the ordinance.

Those who followed the Lord in baptism included Janice Gamby, Marilyn Greger, Paulette Monsen, Carol Hebing, John Bush, Jr., Mike Meaney, Jim Everett, Rick Dumas and Fred Baum.

Eric Parsons, returning missionary to the Philippines under the Far East Broadcasting Company, spoke briefly during the evening service on "Why I Must Return to the Field."

His wife, Marileen, also gave her testimony and then Pastor Schaper led in a congregational prayer as the church united behind the Parsons, assuring them of continued support and interest. They will be leaving by ship sometime this week.

REV. MAX JAMES, vice president of Japan Christian College, will speak at the monthly Women's Missionary Society meeting this coming Tuesday, March 6. Rev. James is presently enrolled in the graduate division of Associated Colleges at Claremont.

The women of the church and community are cordially invited to attend the meeting which begins with a work time at 9:30 a.m. and then after the noon fellowship lunch, Rev. James will speak of his work among the Japanese students in Tokyo and other areas of Japan.

THE BIOLA CHORALE from Biola College in La Mirada will present a sacred concert on Sunday night, March 11 at the church. The choir includes 36 students selected on a competitive basis with two members from eBethany Church. They are Mike Childers, son of Mr. and Mrs. Henry Childers of Sierra Madre, and Bill Mclean, son of Mr. and Mrs. Turn to Page 11

### Christian Science Topic Is 'Healing'

Value to all mankind of the healing ministry of the Master will be stressed at Christian Science Church services Sunday, in the lesson-sermon entitled "Christ Jesus."

Luke's account of the healing by Christ Jesus of the man with the dropsy will be included in the Bible selections: "There was a certain man before Him which had the dropsy. And Jesus answering spake unto the lawyers and Pharisees, saying, 'Is it lawful to heal on the Sabbath day?' And they held their peace. And He took him, and healed him, and let him go" (14: 2-4).

## 'Hour of Missions' Will Be Celebrated Sunday at Congregational Church

An "Hour of Missions" will be celebrated at the Congregational Church this Sunday, March 4.

During this hour, the church will, through its gifts, attempt to sustain the total mission program of the United Church of Christ, both home and foreign.

New churches in the Southwest, missions to the inner city, to rural areas and college campuses, relief and rehabilitation abroad, agricultural, social, and medical projects in 27 countries will be supported through these gifts.

Many families in the church will attempt to sustain a "Minute of the Mission" on that day.

DR. RAY PHILLIPS, for 40 years a missionary in the Union of South Africa, will preach during both the 9:30 and 11 o'clock services. Dr. Phillips has just completed serving a two-year

term as moderator of the General Council of the Congregational Christian Churches, which is the highest office Congregationalism can bestow.

Mrs. Phillips will meet with the church school while Dr. Phillips is in the sanctuary. A coffee-hour, honoring Dr. and Mrs. Phillips will be held between the two services.

THE STEWARDSHIP committee of the church, of which Paul Watson is chairman, has been in charge of arrangements for the "Hour of Missions." Mrs. Leslie Chapman is program coordinator.

### Prepare Ash Wednesday's Communion

"What It Means to Be a Christian" will be the theme of midweek Lenten services at Shepherd of the Hills Lutheran Church, 33 E. Sierra Madre Blvd., Sierra Madre. The services, from 7:30 to 8:15 p.m., Wednesdays, are open to the public. The choir, directed by Charles E. Markham, will offer special music. After each service, an informal discussion on the basic Christian beliefs will follow in the library upstairs for all who wish to remain.

AT THE FIRST worship, March 7, the Lord's Supper will be served in observance of Ash Wednesday, marking the beginning of Lent. Meditation of Rev. Ray E. Hansen will be "Bread and Wine." "The Ten Commandments" will be the topic the next two Wednesdays. The pastor will speak on "The Origin of Man" on March 14 and "How to Love Your Neighbor," March 21.

"What We Believe" is the topic March 28, based on the Apostles' Creed. The following two Wednesdays will offer "When We Pray" on the Lord's Prayer, April 4, and "Womb, Water, Word," on baptism, April 11.

THE LENTEN services will be climaxed on Maundy Thursday, April 19, with Pastor Hansen speaking on "The First Supper."

There will be no Communion service this coming Sunday, March 4, because of the nearness of Ash Wednesday's Holy Communion, March 7. Sunday's sermon will be "Two Kinds of Courage. A supervised nursery is provided during church.

Sunday School classes are at 9 a.m. for all ages.

### 'Thy Kingdom Come' Is Sunday Theme of Dr. Ford

At Pasadena's First Christian Church, 789 N. Altadena Dr., the minister, Dr. Wesley P. Ford, will speak Sunday morning, March 4, on the theme "Thy Kingdom Come." This is the second in a series of sermons on the Lord's Prayer which will be continued until Easter. Duplicate worship services are held Sunday mornings at 8:30 and 10:45 o'clock. Special music March 4 will include anthems by the children's and adult choirs.

### Bethany Notes

continued from page 10

Sam Miclean of Arcadia. The choir is just now beginning their concert season and this will be their first appearance in the San Gabriel Valley.

FORTY-FIVE members of the Crusader and Coronation Choirs from Bethany Church of Sierra Madre will participate in the annual Junior Choir Festival at Glendale Presbyterian Church, 219 E. Harvard in Glendale, this Sunday afternoon, March 4 at 3:30 p.m.

Miss Margaret Meier, music instructor at Pasadena Christian School directs the two choirs. The Crusader Choir is made up of boys and girls in grades 3 through 5 while the Coronation Choir consists of girls from grades 6 through 9.

Mrs. Margaret Schaper, director of music at Bethany Church, announces that 16 choirs from nine churches will participate in the festival and urges the public to take advantage of what has become annually, an outstanding choral presentation.

### Methodist Women Plan 'Used' Sale

Numerous items of clothing, shoes, household furnishings, books, knick-knacks, toys, and "you-name it" will be offered for sale tomorrow by women of the Sierra Madre Methodist Church, 695 W. Sierra Madre Blvd., at most reasonable prices.

The sale will be held in Parish House, north of the sanctuary, on Friday and Saturday, March 2 and 3, 9 a.m. to 5 p.m. Angle parking space is available adjacent to the sale area, reached by entrance from Michillinda Blvd.

The committee of the Women's Society in charge of the sale, Meses Warren Pierson, Lauren Maltoy and Ray Bowman, reports that "everyone in the church is doing his spring housecleaning early to help make this sale a real success." The public is cordially invited.

### Rev. Kreidt To Speak at Faith Church

Rev. E. H. Kreidt of Monrovia will conduct the 10:30 a.m. Sunday worship service at Faith Lutheran Church, 835 Hastings Ranch Dr., in absence of Rev. Armin Hesse. The latter will speak at the two Golden Anniversary services at Immanuel Lutheran Church in Riverside which he served as pastor prior to his acceptance of the pastorate at the Hastings Ranch Church.

"The Rich Young Ruler" as described in Matthew 19, 16-26, will be the Sunday School lesson of the pupils at the 9:15 o'clock Church School session. Three Bible Classes for the junior high, senior high - college level, and for adults will meet during the same hour.

Ash Wednesday service at 7:30 p.m. on March 7, will inaugurate the series of midweek Lenten services at the church.

FOURTEEN new members were received into communicant membership by the congregation in last Sunday's tenth anniversary service. They are: Dr. and Mrs. John C. Allin and daughters, Sherry and Barbara; Dr. and Mrs. Donald E. Garner and daughter, Laura; Mrs. Barbara Miller; Mrs. Elizabeth Waters, Mr. Donald Knuth, Mr. and Mrs. Vernon Schimmel, and Mr. and Mrs. J. William Schlue. Another Adult Study Class, conducted by the pastor, held its initial meeting last Monday night at 8 o'clock. Designed especially for non-members the weekly sessions are preparatory but not obligatory to communicant membership in the congregation.

The elders, under the chairmanship of Donald Frokjer, will meet next Tuesday night at 7:30 o'clock.

### 'World Day' Of Prayer Is On March 9

World Day of Prayer will be Friday, March 9 at 10 a.m. in the Sierra Madre Methodist Church, who will serve as host church. The event is sponsored in this area by the Committee of Church Women of the Sierra Madre and Hastings area, and in conjunction with the United Church Women, a General Department of the National Council of Churches, for a national day of prayer "when there shall be films.

confession of individual and national sins, with offerings that will fitly express the contrition."

Mrs. Donovan C. Davis is general chairman of the committee, and Mrs. William E. Heller will be presiding chairman of the World Day of Prayer.

The theme will be "God So Loved The World," with women of the various local churches participating in the program.

#### THE PRAYER IS:

"Lord God, who made of one blood the people of all nations, we praise Thee for Thy love richly given to all. We thank Thee for the wealth of past years. Thou knowest us to be set in the perplexities and dangers of today's changing order; help us to abide in Thee and Thy word in us.

"Lead us forth from this day wherever it shall please Thee. Help us to follow at whatever the cost. Father of us all, on this day and all days, grant that Thy greatness fill our emptiness; Thy glory deliver us from our selfish ways; Thy strength replace our weakness; Thy fresh adventures defeat our little fears; Thy call draw us resolutely along the way. We pray through Him who is Thy love to us. Amen."

### Lent Series Devotionals Are Readied

A series of Wednesday night devotionals will be held at the Congregational Church during Lent. Based on the theme, "The Drama of Christ," they will include special music by Eunice and Earle Anderson on this coming Wednesday night, meditations by the pastor, Rev. George Lindsay each Wednesday, and special devotional materials, prepared by groups within the church. The services will be held from 7:30 to 8 o'clock in Campbell Chapel.

Services for the following Wednesday, March 14, at 6:30 o'clock will be preceded by a pot-luck supper for all members of the church in Pritchard Hall. The Diaconate Board is in charge of arrangements for both supper and Lenten devotions.

### Methodist Men See Phone Films

Regular monthly meeting of Methodist Men was Monday in Parish House. Dessert was served, following which the California Water and Telephone Co. showed interesting and educational

### 'Mind Power' Subject For Dr. Barnhart

"The Power of Your Mind" is the sermon topic at the 11 o'clock worship service Sunday morning at the Santa Anita Church of Religious Science, 226 W. Colorado Blvd., Arcadia.

Man's place in God's creative process will be the theme of Dr. Barnhart's sermon. The Tower Choir, directed by Marijean and Robert Estey, will present the anthem, "I Will Lift Up Mine Eyes," by Sowerby. Child care is available.

Junior Church convenes at 11 o'clock Sunday mornings and offers graded classes from pre-school through 9th grade. High school and college groups meet at 7:30 o'clock Sunday evenings.

AN INSPIRING graduation

service will be conducted at this hour for those who have successfully completed the 1962 first year course in Religious Science. This study includes 120 hours of instruction based on Dr. Ernest Holmes' textbook, "Science of Mind," and subjects allied to the principles of Religious Science.

Graduates include Edwin O. Ingstad, Carolyn Ingstad, Olwyn R. Stephens, Anjal Bodourian, John F. Best, Ruby F. Lennig, Virginia Blar, Milton J. Van Epps, Robert E. Tinker Jr., Kenneth A. Hamlin, Lettie Dove Gentry, Marie Armitage, Thiratta A. Elmore, Patti Chapin Vasquez, Martha Van De Verg, Margaret De Forest, Daphne H. Alley, Bonnie Ochs, Adele Davidson, Helen G. Burns, Emilie Herzberger, Pauline Holt, Estelle Knight and Lou Schussler.

The Men's Forum will present as their speaker on March 7, Harold Sherman, who will talk on "E.S.P. and

Spiritual Unfoldment." The meeting is at 8 p.m. and the public is invited.

MR. SHERMAN is a noted lecturer, playwright and author of more than 30 books on psychic awareness, powers of the mind, healing and spiritual growth. In his lecture he will tell about his scientific experiments in long-range mental telepathy with Sir Hubert Wilkins, renowned Arctic explorer.

Rev. Rosalie Fowler conducts a healing hour every Wednesday morning at 10:30 o'clock in the church sanctuary. All are invited to participate in this time of prayer and meditation.

Dial - For - Prayer, Hillcrest 7-6162, day or night.

## Take your problems to Church this week -

millions leave them there!

The lion that can roar the loudest and bite the hardest usually gets what he wants.

That's the way it is in the animal kingdom, and sometimes the system creeps into man's world too!

Most of us have too much RELIGIOUS AWARENESS to believe that such a system is the best one. We would rather live in a world in which kindness and peace and unselfishness were the rule.

Our Churches can help us build such a world. They can turn our religious awareness into SPIRITUAL GROWTH.

On Sunday morning, the man in the armchair knows just as well as the man in the pew what is wrong with the world. But the man in the pew will be busy doing something about it!

#### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Republicans Of Area Will Hear Wright

Lloyd Wright, distinguished attorney, public servant, and Conservative candidate for the U.S. Senate, will speak in Pasadena Wednesday night, March 7, at the Vasa Temple, 2031 E. Villa St., at 7:30 o'clock.

The meeting, sponsored by the Foothill Republican Club, will give Republicans in the Pasadena and surrounding areas an opportunity to get acquainted with Wright and to hear his views on the national problems of today and the direction he thinks our government should take.

Members of other Republican clubs in the area have been invited, as well as all Republicans interested in stimulating ideas of this outstanding candidate for the U.S. Senate.

## Emile Smith Back After Operation

Emile E. Smith, co-partner with Thomas M. Schwartz in the Sierra Madre Hardware Co., returned to his home at 333 N. Sunny-side Saturday after an appendectomy of a serious nature and a two-week stay in St. Luke Hospital.

## Bump Into Mail Box Injures Eye

John Anthony, 10, of 248 San Gabriel Court knows better now.

John walked along the west side of W. Sierra Madre Blvd. in the 100 block last Thursday—reading a book.

So engrossed was John that he failed to see the letter drop protrusion on a mail box. Result: one bruised left eye necessitating medical attention.

## D'Arcy Attends State Convention At Disneyland

Dr. Daniel L. D'Arcy, with offices at 62 W. Sierra Madre Blvd., last week attended the convention of the California State Optometrist Association in Disneyland, Anaheim. He returned last Tuesday.

His uncle, William Burke of Toronto, Ontario, a retired inspector of the Imperial Bank of Canada, is visiting the doctor and his wife, Nell, at the D'Arcy home at 321 E. Sierra Madre Blvd.

## Loses One Finger While at Work

Edwin A. Anderson of 430 N. Auburn was injured last week while at his work as a die polisher. A heavy press crushed his right hand, necessitating amputation of his little finger while the ring finger was injured seriously.

## \$79 Lawnmower, Tachometer Are Reported Stolen

During the weekend Bert Anderson prepared to mow the lawn at his home, 404 Manzanita. The heavy rains had caused the grass to grow appreciably. The day before he had carefully cleaned and oiled his lawnmower.

But when he went to get the mower from his garage it was gone. Police were advised that its value is \$79.95. George E. Schacht of 261 E. Alegria reported theft of a \$30 tachometer from his car parked in the driveway.

## Babe Ruthers Registration And Tryouts

Matt Meredith will handle registration of Sierra Madre boys between the ages of 13 and 15, for Babe Ruth teams to be held Saturday, March 3, at Youth Hut in Sierra Vista Park, beginning at 10 a.m. All boys interested in playing baseball are requested to register and pick up necessary forms. Boys who were members last year of a Babe Ruth team also must register.

Joe Grippi will supervise tryouts March 10 and March 17 at Sierra Mesa Field. Tryouts will begin at 10 a.m. Team managers and coaches will be on hand to help Grippi.

Tryouts are important to acquaint managers and coaches with the boys, as they make selections for the teams. All boys within ages of 13 to 15 should plan to be on hand for this important event.

## Jim Hall Better After Pneumonia

James B. Hall, proprietor of the Richfield Service Station at 50 S. Baldwin, has returned to his home at 451 W. Sierra Madre Blvd. after a ten-day bout with pneumonia, which took him to Sierra Madre Community Hospital for treatment there.
